SECUR-MAT is a Canadian company operating in Quebec's greater Montreal area since 1998. First and foremost we are Specialists in the Transportation of Dangerous Goods as well as perishable items both domestic and international by air, sea or road. SECUR-MAT currently prepares shipments of dangerous goods on behalf of over 250 companies, ranging from manufacturers to freight forwarders. SECUR-MAT's continuing success is due to the strictest compliance with all applicable national and international regulations governing the transportation of dangerous goods, namely IATA / ICAO for air shipments, IMO / IMDG Code for maritime shipments and closer to home our own TDG- Transportation of Dangerous Goods as well as its American counterpart 49CFR &ndash; Code of Federal Regulations for road and rail. Along with SECUR-MAT's awareness of the regulations governing the transportation of dangerous goods is our commitment to an excellent customer service experience. To date over 3000 shipments have been successfully transported. The corner stone of SECUR-MAT lies in our expertise in the preparation, handling and offering for transport of shipments containing dangerous goods. We also offer a range of other services, for more details please see Our Services page.
